

Deliver Successful Projects

PMI[®] Global Congress ASIA PACIFIC 2009

9–11 February 2009

Kuala Lumpur Convention Centre

Kuala Lumpur, Malaysia

In these uncertain economic times, we understand the need to ration your professional development funds. But if you can attend only one conference in 2009, make it the PMI Global Congress 2009—Asia Pacific. This three-day educational and networking event, hosted by Project Management Institute, is a career-building opportunity that will equip you with the insight and connections to deliver successful projects for your organisation.

**Build your
professional network**

Learn from your colleagues' success (and lessons learned), and network with peers from across the region.

**Visit the PMI
Career Centre**

Learn about all the tools and resources PMI offers to help project practitioners build and advance their careers, and remain a valuable asset to any project team.

Learn fresh ideas

Interact with thought leaders, peers and suppliers to gain information applicable to your next project.

New to this year's congress:

Congress eClassroom – independent online learning

Earn additional knowledge and PDUs during congress

To enrich your congress experience, conference attendees may access over 150 web-based self-study courses. Courses are available 24 hours a day, beginning Monday morning at 7.00 through Wednesday evening at 19.00.

Attendees must provide their own laptop computer for these courses, and can take courses from any location with Internet access.

Access is easy, and no pre-registration or additional fees are required. Once you register for the congress and pick up your badge, you will be provided with instructions on how to access the courses. Gain additional knowledge and skills while earning up to 9 additional PDUs.

To view full conference information, please visit www.PMI.org, scroll down the page to the Events Calendar and click on the Asia Pacific congress link.

Early registration deadline is 23 January 2009. Register now and save!

Also taking place in Kuala Lumpur:
PMI SeminarsWorld
12–13 February 2009

Maximise your professional development experience with PMI SeminarsWorld®. Participate in one of eight two-day seminars offered immediately after the congress, and immerse yourself in a single project management-related topic. Earn 14 PDUs and 1.4 CEU credits.

Please note that SeminarsWorld requires a separate registration from congress.
