

Abstract Title	Choose your DA Way of Working for Project Professionals Masterclass
Presentation Type	4 hour workshop
Full Name	Aldo Rall and Horia Slușanschi
Job Title	Founder at Novavi Limited
Organisation	Novavi Limited

Introduction

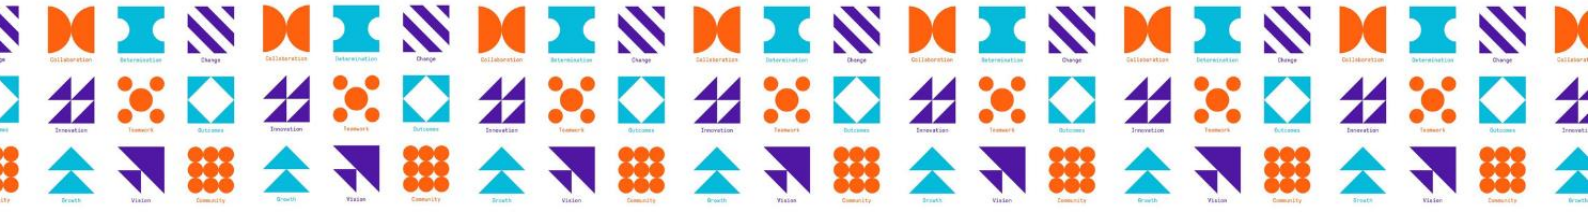

Feeling lost or overwhelmed when navigating the selection of practices, lifecycles, work methods, or frameworks for your project? Do you find that many of these choices harm your project more than it helps because it is not fit for purpose? This practical masterclass will explore how to use the Disciplined Agile body of knowledge in making informed decisions for your specific situation.

Abstract

In this hands-on session, you will learn how to make effective use of the Disciplined Agile Toolkit as a project professional. You will learn how to navigate making the right choices for lifecycles and work methods, as well as how to adjust it when changes disrupt previous choices on lifecycles and practices. You will learn how to take effective advantage of the Disciplined Agile knowledge assets by making informed choices on Ways of Working (WoW) in a wide range of contexts.

The Learning Objectives are:

- Understand how to use DA to make informed decisions about lifecycles, methods, frameworks, and practices;
- Gain hands-on experience improving your way of working (WoW) in a variety of contexts;
- Learn how to avoid costly agile adoption mistakes by starting with the right delivery lifecycle;
- Discover how to tailor your WoW to reflect the actual situation you find yourself in.
- Construct and capture (document) your ways of working

Speaker Profile(s)

Aldo Rall

Aldo is a practicing Leadership Catalyst and Change Navigator. Aldo has practical experience and skills in organisational renewal, leadership development, critical thinking, creative problem solving, collaboration, and enterprise agility. He has developed skills and experience across multiple methods and frameworks utilized in the modern workplace, all built on a solid foundation of a Master's degree in Management (University of Liverpool).

Aldo has been a member of the PMI Disciplined Advisors council since its inception. Aldo has been an active contributor to the development of the DAVSC certification and is one of the DAVSC and DAC instructors accredited by PMI.

Horia Slușanschi

Horia serves as a Kaizen Artist, inspiring people to delight customers while finding joy in work. Kaizen means continuous improvement. It's an art rather than a science, as all humans are wonderfully different.

Horia is trained as a Lean Six Sigma Black Belt, holds a PhD in Computer Science, and has coached and mentored numerous organizations across the globe to transform their thinking, organizational and action habits to achieve better outcomes.

Horia has also served as a long-term PMI volunteer in the agile community of practice, co-authored the PMI Agile Practice Guide, and helps in the improvement of FLEX.

Acknowledgements

We would like to thank the DA development community for their efforts in bringing such a great toolkit into being.
